

SANIWALL® Pro UP

Product Ref: 6110

With a built-in frame system designed to accommodate all types of wall-hung WC (not supplied), Saniwall Pro Up has a dual flush and an integral macerator pump. In addition to taking the waste from a WC there are two side inlets enabling a wash basin, shower and bidet to drain to the macerator.

Why choose this product?

- Designed with Grohe cistern technology
- Concealed unit ideal for use with built-in bathroom furniture
- Ideal for wall-hung WCs
- Built-in frame system with an elegant glass wall covering
- Integrated dual flush cistern
- Adjustable feet allow variable heights of pan
- Two side inlets
- Flush plate included
- Easier access to both the tank and electrical connections.
- Quiet motor

Vertical/horizontal performance

Saniwall Pro Up has been awarded AFISB (French Association of Bathroom Industries) WELLBEING certification, to recognise its contribution to helping people with reduced mobility.
